SPA for IDH's acquisition of a stake in IDC expires; negotiations continue

6 September 2022

(Cairo and London) - In relation to the share purchase agreement (the "SPA") signed on 20 December 2021 by IDH (or "the Company") for the acquisition of a 50% stake in Islamabad Diagnostic Center ("IDC"), IDH has notified Evercare IGA Holdings Limited (the "Seller") of its decision to terminate the SPA on 29 August 2022. Termination has become inevitable as the Long-stop Date (which had already been extended for a period of three months) has occurred without the satisfaction of all conditions precedent ("CPs"). However, negotiations with the Seller are ongoing, with Pakistan's evolving economic challenges and the geopolitical situation to be important considerations in the completion of the negotiations. In the event the Company were to reach an agreement with the Seller, an amended SPA will be signed and a new Long-stop Date set.
