### About Integrated Diagnostics Holdings (IDH)

IDH is a leading consumer healthcare company in the Middle East and Africa with operations in Egypt, Jordan and Nigeria. The Group's core brands include Al Borg, Al Borg Scan and Al Mokhtabar in Egypt, as well as Al Borg (Jordan), Ultralab and Al Mokhtabar Sudan (both in Sudan) and Echo-Lab (Nigeria). A long track record for quality and safety has earned the Company a trusted reputation, as well as internationally recognised accreditations for its network of over 2,000 diagnostics tests. From its base of 546 branches as of 30 September 2022, IDH will continue to expand its laboratories through a Hub, Spoke and Spike business model that provides a scalable platform for efficient expansion. Beyond organic growth, the Group's expansion plans include acquisitions in new Middle Eastern, African, and European markets where its model is well-suited to capitalise on similar healthcare and consumer trends and capture a significant share of fragmented markets. IDH has been a Jersey-registered entity with a Standard Listing on the Main Market of the London Stock Exchange (ticker: IDHC) since May 2015 with a secondary listing on the EGX since May 2021 (ticker: IDHC.CA).
