About Integrated Diagnostics Holdings (IDH)

IDH is a leading diagnostics services provider in the Middle East and Africa offering a broad range of pathology and radiology tests to patients in Egypt, Jordan, Sudan and Nigeria. The Group's core brands include Al Borg, Al Borj and Al Mokhtabar in Egypt, as well as Biolab (Jordan), Ultralab and Al Mokhtabar Sudan (both in Sudan) and Ecolab (Nigeria). A long track record for quality and safety has earned the Company a trusted reputation, as evidenced by internationally recognised accreditations for its portfolio of over 2,000 diagnostics tests. From its base of 552 branches as of 31 December 2022, IDH served over 8.7 million patients and performs more than 32.7 million tests in 2022. IDH continues to add laboratories through a Hub, Spoke and Spike business model that provides a scalable platform for efficient expansion. Beyond organic growth, the Group's expansion plans include acquisitions in new Middle East, African, and East Asian markets where its model is well-suited to capitalise on similar healthcare and consumer trends and capture a significant share of fragmented markets. IDH has been a Jersey-registered entity with a Standard Listing on the Main Market of the London Stock Exchange (ticker: IDHC) since May 2015 with a secondary listing on the Toronto Stock Exchange since May 2021 (ticker: IDHC.CA).
